Htoo Myat Kyaw

Summary

Results-driven professional with experience at ShopDoora as a Quality Assurance Analyst, where I enhanced data integrity through meticulous testing and defect resolution. Proficient in data analysis and debugging, I leverage my skills in HTML5 and React to deliver high-quality, user-friendly solutions while fostering collaboration within teams.

Professional Experience

Double Wave - Mid-level Data Collector

Yangon

11/2023 - 05/2025

- Collected data from various sources, ensuring accuracy and completeness.
- Organized and maintained data in databases and spreadsheets.
- Performed data validation and cleaning to ensure data quality.
- Collaborated with team members to gather requirements and deliver data-driven insights.

ShopDoora - Quality Assurance Analyst

Yangon

09/2022 - 10/2022

- Developed and executed test plans and test cases to ensure the quality and accuracy of data and systems.
- Identified, documented, and tracked defects, working with teams to resolve issues and improve overall quality.
- Analyzed data sets to identify inconsistencies and anomalies, ensuring data integrity.
- Contributed to process improvements to enhance data collection and quality assurance procedures.

Key Skills & Abilities

- Responsive Design: Expertise in creating websites that adapt seamlessly to different screen sizes.
- Bug Fixing: Strong analytical and critical thinking skills to identify and resolve software defects.
- Version Control: Proficient in using Git for code management and collaboration.
- Communication: Excellent interpersonal and communication skills to effectively collaborate with team members.
- English Proficiency: Fluent in written and spoken English.
